

CAFETERIA NEWS

Welcome to the 2022-2023 school year!

We are so excited to receive new and returning students to the Culinary Arts Program, and look forward to feeding the school with dishes that are fresh, delicious, and affordable! One change that is new for this year is the closure of the cafeteria on Mondays so that Mrs. Gray can spend more time teaching culinary techniques to her amazing students. If you haven't tried the cafeteria in the past, make sure you give us a try! Also, if you are interested in a career in the food industry, stop by and see Mrs. Gray, or better yet, take the course!

For new and returning Culinary Art students we will begin the semester with the Food Safe Level 1 course. This will ensure our kitchen functions at the highest level of safety and sanitation possible. Following Food Safe and kitchen training we will be excited to offer our fabulous food beginning September 21st, 2022. Please make arrangements for your own food for the first couple of weeks and then use our school cafeteria for all your food cravings. Looking forward to a fabulous year of culinary delights and magical moments.

Thank you for your endless support,
Jennifer Gray- VSS Culinary Arts Instructor
